

Erasmus+ for the period 2021-2027

DHIP Dissemination Event
5th May 2021

Filip Van Depoele
Head of Unit - International Cooperation
Directorate-General for Education, Youth, Sport and Culture (DG EAC)

34 Years of achievements of Erasmus – since 1987

**Erasmus+
Programme
2014-2020**

Open to international dimension through academic exchanges worldwide with more funding

More than 4 million European students

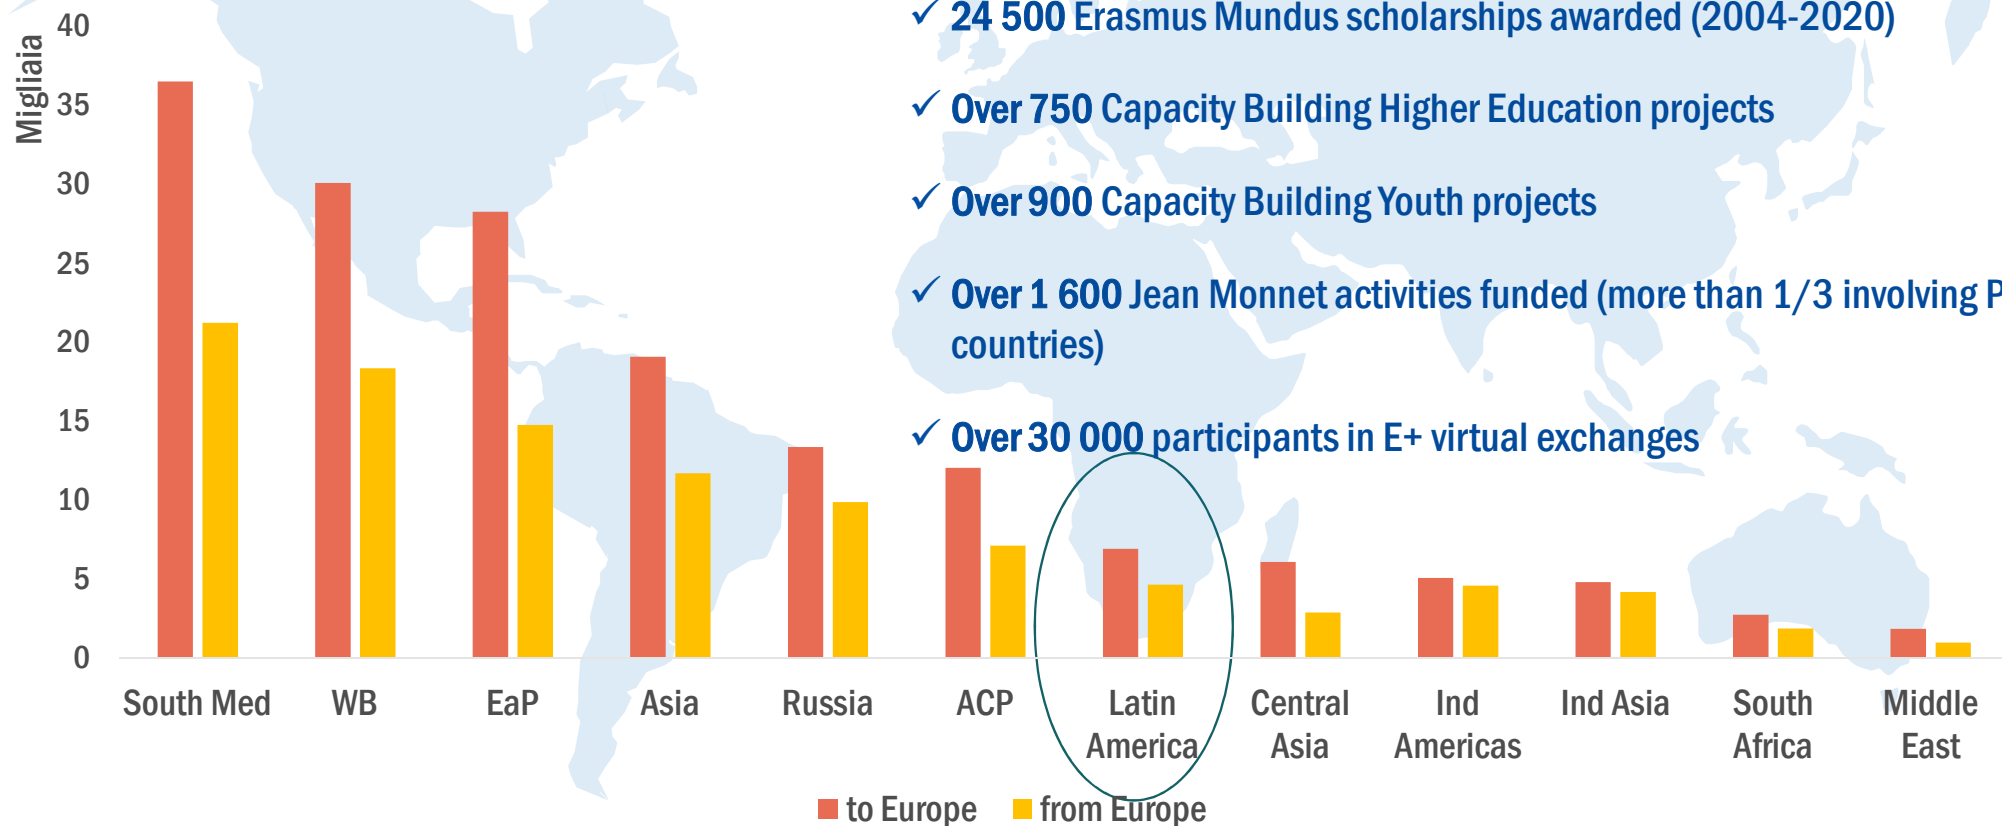

**New
Programme
2021-2027**

Increased International dimension:
HE, VET, Youth & Sport

Goal: reaching 10 million students

International dimension of Erasmus+ 2014-2020 in key figures

- ✓ ~270k planned short-term staff and student mobilities
- ✓ 250 excellent integrated Master courses funded
- ✓ 24 500 Erasmus Mundus scholarships awarded (2004-2020)
- ✓ Over 750 Capacity Building Higher Education projects
- ✓ Over 900 Capacity Building Youth projects
- ✓ Over 1 600 Jean Monnet activities funded (more than 1/3 involving Partner countries)
- ✓ Over 30 000 participants in E+ virtual exchanges

Funding of international dimension 2021-2027

- Stronger international dimension: Contribute to the geopolitical dimension of the European Education Area and support development cooperation objectives.
- Mixed funding:
 - Part of main budget (€26,2 billion of Heading 2 funding)
 - + almost €2,2 billion from Heading 6:
 - ✓ IPA III (WB, ~€377 million EUR)
 - ✓ NDICI (rest of the world, €1,8 billion EUR).
- The exact split of the budget by action being negotiated.
- The nr and composition of regions to be clarified.

International dimension of Erasmus+ 2021-2027
